CPC30220 CERTIFICATE III IN CARPENTRY

This is a trade qualification for carpenters in residential and commercial workplaces. It includes setting out, manufacturing, constructing, assembling, installing and repairing products made using timber and non-timber materials.

Occupational titles may include:

- Carpenter Commercial
- Carpenter Formwork
- Carpenter Residential

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCCWHS1001 Prepare to work safely in the construction industry meets this requirement.

This qualification is suitable for an Australian apprenticeship pathway.

There is no pre-requisites or specific entry requirement for this qualification. This course is available to all international students and Britts College Pty Ltd Australia. requires that students are able to provide evidence that they:

- Have demonstrated an IELTS level at score of least 6.0 or equivalent (test results must be no more than 2 years old) or demonstration of successful completion of at least General English at Upper Intermediate or English for Academic Purposes Upper Intermediate level.
- Have a suitable level of language, literacy and numeracy to complete course requirements with or without additional support that Britts College Pty Ltd Australia is able to provide.
- Must be a proficient user of advanced calculators.
- Have successfully completed Australian year 12 or equivalent or must be of matured age with adequate LLN skills.
- Are at least at age of 18 on the date of course commencement.

Please Note: It is highly recommended that student must have successfully completed 'CPCCWHS1001 Prepare to work safely in the construction industry', prior commencing this course.

All the students commencing this course are required to complete LLN test on the orientation day to assist Britts College Pty Ltd Australia to identify student's needs for additional support during their study with Britts College Pty Ltd Australia.

ADDITIONAL ENTRY REQUIREMENTS:

- Student must have access to working PC or laptop with a configuration suitable to meet study requirements. Please seek your trainer/assessor assistance in this regard.
- A basic level of comfort with digital tools and the internet is required for accessing educational content and completing coursework.
- Students are required to attend the scheduled theoretical classes, which are an integral part of the curriculum, designed to provide a comprehensive understanding of the subject matter.

ORIENTATION:

Starting your educational journey on the right foot is key. Orientation will be conducted on the campus to welcome new students into our vibrant community. Prior to your start date, the Admissions department will reach out with an email and phone call to provide you with all the necessary details and instructions to navigate the beginning of your academic adventure. For any inquiries or clarifications, reach out to us at +61 481323385 or sso@brittscollege.edu.au. Our student administration is always on hand to offer additional support whenever required.

CLASSES:

Classes are scheduled to be held in a designated classroom, ensuring face-to-face interaction, and will take place on the campus grounds to facilitate a direct and engaging learning experience.

ASSESSMENT:

Assessment will be conducted on college premises under the expert guidance of our assessors and trainers. The college will provide all required materials for these assessments, which are an essential requirement for students to advance in their educational programs.

SUPPORT:

Britts College Pty Ltd is dedicated to providing ongoing support to all students. Our academic staff, including trainers and assessors, are readily available to offer assistance and ensure students have the necessary resources to succeed in their academic endeavours.

Once students have successfully completed CPC30220 Certificate III in Carpentry, they can apply for various roles across management positions that have supervisory performance accountabilities.

The further study pathways available to students who undertake this qualification include:

- CPC40120 Certificate IV in Building and Construction (Building),
- CPC50220 Diploma of Building and Construction (Building), or
- Range of Certificate IV or Diploma level qualifications with the CPC Training Package.

COURSE STRUCTURE:

A total of 34 Units (27 Core and 7 electives) must be completed and deemed competent to achieve the qualification CPC30220 Certificate III in Carpentry. Participants who achieve competency in any unit/s will receive a Statement of Attainment (provided USI is verified) for that unit/s without completing all 34 units in the qualification. Students completing all the required units of competency will attain full qualification.

CODE	TITLE	CORE/ ELECTIVE
CPCCCA2002*	Use carpentry tools and equipment	Core
CPCCCA2011*	Handle carpentry materials	Core
CPCCCA3001*	Carry out general demolition of minor building structures	Core
CPCCCA3002*	Carry out setting out	Core
CPCCCA3003*	Install flooring systems	Core
CPCCCA3004*	Construct and erect wall frames	Core
CPCCCA3005*	Construct ceiling frames	Core

CODE	TITLE	CORE/ ELECTIVE
CPCCCA3006*	Erect roof trusses	Core
CPCCCA3007*	Construct pitched roofs	Core
CPCCCA3008*	Construct eaves	Core
CPCCCA3010*	Install windows and doors	Core
CPCCCA3016*	Construct, assemble and install timber external stairs	Core
